

Quality, Safety and the Environment

UWS is committed to providing quality services to its clients, providing a safe workplace for its employees, clients and visitors, and minimising our impact on the environment.

Our Integrated Management System (IMS) embodies our policies and procedures. Our IMS is certified against:

ISO 9001:2015 (Quality)

ISO 45001:2018 (Occupational Health and Safety)

ISO 14001:2015 (Environmental)

Quality Assurance

UWS is committed to providing quality services to its clients. Our IMS, certified to ISO 9001:2015, ensures that UWS and its staff:

- define clearly and communicate/conform accurately to client expectations
- fully apply their ability to achieve quality performance
- provide staff and clients with regular information, instruction, training and supervision to ensure the quality of its products and services
- continuously improve quality

Occupational Health & Safety

UWS is committed to providing a healthy and safe workplace for its employees, clients and visitors. Our IMS, also certified to ISO 45001:2018, ensures that UWS and its staff:

- provide written procedures and instructions to encourage safe systems of work
- provide safe equipment and systems of work
- identify workplace hazards and risks to manage and control them as far as is practicable
- provide staff and clients with regular information, instruction, training and supervision to ensure their safety

- comply with safety legislative requirements and best practice standards
- provide support mechanisms that will assist injured staff to return to work
- consult to improve health and safety and continue to minimise injuries and illnesses through the implementation of our policies and procedures

Environmental

UWS is committed to minimising the impact of its activities on the environment. Our IMS, also certified to ISO 14001:2015, ensures that UWS and its staff:

- comply with environmental legislative requirements and best practice standards
- achieve and maintain a high level of environmental stewardship through effective mitigation practices which enhances UWS' reputation with its clients
- continuously improve environmental performance
- minimise our impact on the environment
